

UCLA Extension
Landscape Architecture

Lighting

the Residential Landscape

with Yvonne English

Saturday
November 3rd+17th

9 am - 3:30 pm

UNEX Building

room G33W

\$300 class fee

Master core design concepts, such as designing with respect for the dark sky and minimizing residential light trespass; addressing safety for pedestrian circulation and home security; fundamentals of low-voltage lighting components; and much more, including health, safety, and welfare issues. Instruction covers the process of lighting design from defining the lighting program and site inventory to conceptual design and a brief overview of design documentation.

To enroll use reg # Y5659 and go to www.uclaextension.edu or call 310.825.9971
