

ENVIRONMENTAL
DESIGN
STUDIO

Environmental Design Studio is currently seeking a highly motivated and talented Junior Landscape Designer to immediately join our fast-paced Los Angeles based team. We are a full service landscape design-build firm specializing in high-end residential and commercial landscape design projects.

As both designers and contractors for our projects, we are able to maintain the design intent from concept all the way through construction. Our design process is open and collaborative. Our scope of work is comprehensive, spanning the design of hardscape, plant material, outdoor structures, and landscape infrastructure.

Primary Responsibilities:

- Coordinate design projects and interface with clients from concept through completion.
- Conduct client meetings and create design contracts/ proposals.
- Coordinate with architects, contractors, vendors and all involved making sure information is communicated in a timely manner.
- Coordinate and assist with AutoCAD drafting of projects from conceptual plan to construction documents and planting plans.

Qualifications:

- Professional degree from an accredited college of Landscape Architecture or closely related degree of study.
- Demonstrated proficiency with AutoCAD, Adobe Suite (InDesign, Photoshop and Illustrator), SketchUp and Quickbooks.
- Experience designing and producing presentation drawings, look books and renderings to support design intent.
- 2+ years of experience working in the field or closely related field.
- Possess reliable transportation, a valid drivers license (Mileage Reimbursement).
- Have own computer with valid professional version of AutoCAD and Adobe Suite

Desired Skills:

- Strong verbal and written communication skills.
- Ability to work on multiple projects simultaneously.
- Exceptional level of attention to detail & time management skills.
- Strong organization & customer service skills.
- Flexible and ability to think outside the box.
- Strong hand and digital graphic skills.
- Knowledge of Southern California Plant Material a plus.

Interested applicants should include a PDF with examples of your most relevant work. If portfolio is larger than 4MB, provide a link to view/download your work.
