

# STRENGTHEN YOUR OUTDOOR LIGHTING DESIGN SKILLS WITH YVONNE ENGLISH

**Sunday, January 28, 2018**

**2:00 pm - 6:30 pm**

**The Historic La Casita Del Arroyo - 177 S. Arroyo Blvd., Pasadena, CA 91105**

The Landscape Architecture Alumni Connection of UCLA Extension invites you to join us for a lighting design workshop with Yvonne English of Legends Design Studio, FX Luminaire, Lightcraft Outdoor and Focus Industries.

Yvonne English is Principal of Legends Design Studio, Inc., a LEED certified firm, and has been teaching the Fundamentals of Exterior Lighting for 9 years. Her breadth of knowledge about proper lighting techniques and involvement in the International Dark Skies Initiative help her to empower landscape professionals to light the outdoors with safety, beauty and the environment in mind.

FX Luminaire, Lightcraft Outdoor and Focus Industries will be sharing their technologies and illuminating the outdoor gardens with their new and most trusted models.

We will be serving food and drinks during the lighting demonstrations in the evening portion.
